*Come
Celebrate
With Us!*

Thursday, October 16th

Cocktails 5:30pm

MAX410 at Waters Edge

2 Freemans Bridge Road, Glenville

Come Celebrate With Us!

Thirty-three years ago, Bethesda House offered a comforting refuge where people could spend the day, enjoy food, and share a warm cup of coffee.

A core group of volunteers and part-time staff came together with the purpose of embodying what became the Agency's mission statement.

With innovative ideas and support, we have steadily expanded and enhanced the services offered to the homeless and the most vulnerable members of our community. We are committed to making a positive impact and will continue to explore opportunities for growth.

Come celebrate with us our incredible volunteers, past and present, who strengthen our mission, uplift our spirit of selfless giving, and make the harsh reality of life more tolerable.

Celebrate with us, our wonderful community partners who stand with us, supporting our efforts and sharing our commitment to social awareness and social justice.

Together, the Bethesda House community has made significant contributions and will continue to strive for positive change. Thank you!
